

# ART & MULTIMEDIA DESIGNER

ALEX MOLINA RICO  
info@alexmolinarico.com

*Creative designer. Caring about every step and detail of a design project, with my mind always at work, thinking about the next solution.*

*I usually deal with graphic design, illustration and 3d modelling programs and handle web frameworks and code languages.*

*Suitable for working as an art and multimedia designer.*

*I enjoy providing my ideas to partners, and paying attention to each detail of their requirements. Getting knowledge from different design academies in Barcelona, collecting experience and skills, I have become a versatile, hard working, reliable collaborator.*

## WORK EXPERIENCE

---

- 2015 Currently freelancer in 3D modeling and illustrating.
- 2011-2014 Online freelance designer and illustrator (*selling designs, illustrations and 3d models*).
- 2013, Website creation for "Coral Edu.Cant". *Blog-style Webpage for a choral association, called "Educant"*.
- 2012, Design of diptychs and triptychs layouts for "Save the Children", and "Fundacion Alianza" (Spain) *illustrations and integrating them into the diptychs design*.
- 2012 & 2011, Creation of mascot proposal for: 15th FINA World Championships Barcelona & Hedgehog Protective Association 'ERI-SOS'; *friendly and recognizable mascots. Drawn with a graphics table on a drawing software (like Photoshop and Illustrator)*.
- 2011, Design of professional training courses' logotypes ("*Development of entrepreneurial skills, Social monitoring, Monitoring and evaluation of projects.*") for "Los Tres Arcangeles Foundation". *Logotypes for entrepreneurial training courses used on teaching materials, such as signs, books, notebooks...- Done with vectorial graphics software.*
